They Will Be Retired as Rapidly as Presented With Money From City's Sinking Fund.

WIDELY KNOWN WOMAN DIES

Death Claims Mrs. Marie Pomeroy Nichols—Other Citizens Succumb Suddenly—Thomas Renshaw in Serious Condition.

[Special to The Times-Dispatch.]
Petersburg, Va., June 29.—Six per cent bonds of the city of Petersburg to the amount of \$125,000 will mature on Wednesday, July 1, and as fast as presented will be redeemed in cash with the money from the city's sinking fund, provision for their retirement having been made some time ago. These bonds are what are known as the Virginia and Carolina Railway bonds, issued in promotion of that part of what is now the Seaboard Air Line Railway running from Richmond to the North Carolina line.

Death of Mrs. Nichols.
Mrs. Marie Pomeroy Nichols, wife of Captain J. A. Nichols, died last night at her residence, on St. Andrew's Street, and her death brings sorrow to a large circle of relatives and friends. Mrs. Nichols was born in San Francisco, Cal., and was the daughter of George and Mary Pomeroy. She married Captain J. A. Nichols, of this city, July 3, 1889, at Randleman, N. C. Nearly all of her married life was spent in Prince George County and Petersburg. Besides her husband, she is survived by five sons, J. A. Pomeroy, Hunter, William and Robert Nichols, and two daughters, Misses Ann and Mamie Nichols. Her mother lives in Los Gatos, Cal.; a sister, Mrs. R. M. Watson, and a brother, George S. Pomeroy, reside in San Francisco, and another brother, Mark M. Pomeroy, in Santa Cruz, Cal. The funeral will take place to-morrow afternoon at 2 o'clock from old Blandford Church.

Sudden Deaths.
Peter T. Campbell, a well-known citizen and carpenter, died very suddenly at an early hour this morning at his home, on Halifax Street, of heart trouble. He was complaining of feeling unwell when he retired last night, and about 4 o'clock this morning was taken ill, and died before medical aid could be summoned. He is survived by his wife, four daughters and one son.—P. A. Campbell, Mrs. Milton Thacker, Mrs. Nellie Burnett, Mrs. Charles Ramsey and Miss Margaret Campbell, all of this city.

Information has been received of the sudden death at her home, in Brunswick County, several days ago of Miss Dorothy Vernon, of heart trouble. She was stricken, it is stated, while reading.

The report of the Health Department for the month ending June 26, shows a total of sixty deaths in the city, including seven nonresidents, of which twenty-two were among the white and thirty-eight among the colored population. The coroner certified fourteen deaths. Of the decedents, twenty were children under five years of age, and two were over eighty years. The number of births registered with the Health Department during the month was sixty-seven; whites, thirty-six; colored, thirty-one.

In Serious Condition.

General News Notes.
The monthly meeting of the Methodist Sunday School Association was held yesterday afternoon at Blandford Church. Reports from the various schools for the month show the following aggregates: average register, 2,118; average attendance, 1,728; per cent of attendance, 81; collections, \$284. Action Against Covington Concerns by Eugene Shifflett.

[Special to The Times-Dispatch.]
Harrisonburg, Va., June 29.—Eugene Shifflett, of Elkton, Rockingham County, has instituted suit for \$10,000 against the West Virginia Pulp and Paper Company, of Covington. Two years ago Shifflett had his knee badly injured while operating a paper cutter in the Covington factory. The case will be tried before the Federal Court in Harrisonburg. C. A. Hammer, of Harrisonburg, and Curry & Curry, of Staunton, are attorneys for the plaintiff.

State Senator John Paul has been elected president of the newly organized Harrisonburg Baseball Association, which expects to take over the Staunton team from the Mountain League and transfer it to Harrisonburg for the rest of the season. Senator Paul is something of a baseball player himself, but it was in football at the Virginia Military Institute and at the University of Virginia that he made a name for himself in athletics. Senator Paul was a coach at the university several years ago. With a sport-loving population of its own, reinforced by 600 students at the Summer Normal School, numerous guests at two big resorts on both sides of the town, Harrisonburg hopes to be able to support professional baseball. The Mountain League at present consists of Charlottesville, Covington, Clifton Forge and Staunton.

Mr. and Mrs. Abraham Hotel celebrated the sixtieth anniversary of their marriage recently at the home in Woodstock, Shenandoah County, of their daughter, Mrs. J. L. Wiseman. They received many handsome presents, and were the recipients of numerous congratulatory cards, letters and telegrams.

Would you take \$1000
for your correspondence files?

No? Ten thousand? No? Well, then, twenty?

Wouldn't sell them at any price, would you?

But do you realize that their value very largely depends upon your system of filing?

If the system is faulty, if you cannot get—QUICK—the letter you want, you lose—how much?

Filing systems that won't "un-file" are not worth floor space.

The "Automatic Index" un-files. With the "Automatic Index," it is easy to file letters correctly. It is difficult to file them incorrectly. Why? Because it provides a check against error. That is one of the best things about it—a feature that sets it apart from any and all other filing methods.

FRAUD Is Being
attempted against the
users of Prest-O-Lite

Be on guard against the mutilated, nameless and worthless tanks which certain parties are now endeavoring to pass off on Prest-O-Lite users in Richmond and vicinity.

Your Prest-O-Lite, when empty, can be promptly exchanged anywhere and everywhere. But a counterfeit is hard to "pass."

Besides, a counterfeit gives you very inferior lighting service.

Don't allow any one to take away your ability to get Prest-O-Lite service.

Before you accept any cylinder in exchange for your Prest-O-Lite.

Look for the
Prest-O-Lite trade mark

Tear off any paper labels and look for the name Prest-O-Lite etched in large letters on the side of the cylinder.

If the cylinder does not clearly show the word "Prest-O-Lite," without any guesswork, it IS NOT a genuine Prest-O-Lite, and is not accepted for exchange service by any Prest-O-Lite dealer.

Look at your cylinder to-day and see if a counterfeit has already been palmed off on you. If so, demand the return of your Prest-O-Lite. Communicate with us promptly, we will gladly help you recover your property.
